NINTEX

Nintex Cloud Accelerator Program

The Nintex Cloud Accelerator Program (NCAP) is a customer loyalty program offered for current Nintex customers who are using the Nintex Workflow Platform on-premise under a perpetual license agreement and are interested in deploying Nintex in the cloud.

NCAP Standard Edition: Includes Workflow On-Premise (unlimited standard); Forms On-Premise (unlimited standard); Cloud Workflows (50); Cloud Forms (250); Doc Gen (250)	NCAPSE	6.00%	1.50%
--	--------	-------	-------

NCAP Enterprise Edition: Includes Workflow On-Premise (unlimited enterprise); Forms On-Premise (unlimited enterprise); Cloud Workflows (50); Cloud Forms (250); Doc Gen (500); App Studio; Nintex Hawkeye	NCAPEE	6.00%	1.50%
--	--------	-------	-------

Nintex Subscription Based (On-Premises Only)

The Nintex workflow-based subscription pricing is now available for SharePoint on-premises, Office 365, Nintex Workflow Cloud, and hybrid deployments. The user-based subscription pricing for Office 365 is no longer offered.
